Dear Mr. Chan,

Thank you and "Legacy Through Giving" for your efforts to promote awareness of Hep B through showcasing the San Francisco Hep B Free campaign at this year's "Giving Through Fashion Gala" on March 22, 2008.

As an Assembly representative, health care is very important to me. Effective Hepatitis B prevention in particular has been a great concern of mine. San Francisco Hep B Free has been extremely beneficial to the residents of the City and County of San Francisco, by providing our community with access to free or affordable Hepatitis B screening.

Through your continual dedication and hard work, you have helped make San Francisco a healthier City and for that, I thank you.

If you ever have any need of assistance, please contact my District Director by emailing Bob.Twomey@asm.ca.gov or calling 415-557-2312.

In Peace and Friendship,

Fiona Ma, CPA
Assembly Majority Whip
TWELFTH DISTRICT

Dear Friends,

On behalf of the City and County of San Francisco, it is with great pleasure that I welcome you to the Legacy Through Giving first annual "Giving Through Fashion Gala 2008" on March 22, 2008, at the Hyatt Regency Hotel in Burlingame.

I am also pleased to recognize and acknowledge Michael W. Chan and Macy Mak Chan of the MM Foundation for coordinating this wonderful event that benefits community groups with limited resources.

Because of your hard work and dedication, many smaller organizations will benefit through your efforts. You have created an important forum for many deserving nonprofits to become beneficiaries, including the Bay Area Asian Sports Dragons, which will use the funds to build a basketball court for kids improving the health of our children and develop teamwork and leadership skills; the Lions Club Campaign SightFirst II, which fights to prevent blindness worldwide; the AsianWeek Foundation; and the San Francisco Hep B Free Campaign, a campaign to make San Francisco the first hepatitis B-free city in the nation.

I congratulate you all for all that you have done. Your exemplary commitment to the community is what makes this City so great.

With warmest regards,
